

Brindabella Bushwalking Club provides a program of bushwalking and other activities that adults and children can enjoy, and promotes interest in bushwalking, safety and survival in the bush. We encourage minimal-impact bushwalking and preservation of the natural environment. Visitors are welcome but should contact the leader beforehand. Please read the introduction to the program, particularly 'Enjoying bushwalking' and 'Rules for Walkers'.

# INFORMATION FOR MEMBERS

## MEMBERSHIP

The Membership Year is from 1 October to 30 September. The current Application for Membership (form) is available on the Club's website: [www.brindabellabushwalking.org.au](http://www.brindabellabushwalking.org.au)

## WEEKEND DAY WALKS

### Meeting times and places

The normal departure time is 9.00am, unless shown otherwise (highlighted with \*\*\*). **Please arrive 10 minutes before the departure time to allow the leader time to organise the car-pooling.** The usual meeting places and their symbols are shown below. **Please do not stand on the roadway at the meeting place, obstructing traffic.**

- K:** Kambah Village shopping centre car park, corner Drakeford Drive and Marconi Crescent, opposite the petrol service station
- NL:** North Lyneham shops, Colville St, off Montford Circuit, off Cossington Smith Crescent
- Q:** Queanbeyan Swimming Pool car park, Campbell Street
- S:** Spotlight Queanbeyan car park, 6-8 Bungendore Rd (aka Kings Highway)
- W:** The Weston Creek Tennis Courts car park, in Dillon Close, which comes off Namatjira Drive directly opposite and north of McDonalds at Coleman Court.

### Cancellation of walks

Walks are likely to be cancelled if heavy rain or high temperatures are forecast, or a total fire ban is in force. If warnings are issued or you are unsure about conditions, contact the leader at least a day in advance about possible changes. If there are fewer than four people the walk cannot proceed as an official club activity.

### Transport

Car sharing is arranged at meeting places. The contribution for each passenger is shown in the walk description and must be paid to the driver in cash. It is currently based on 14 cents per passenger per kilometre, rounded to the nearest dollar. In addition, any National Park and Nature Reserve entry fees are usually divided equally among all people in the car.

Drivers unsure of the route should ask the leader to wait at significant corners. A tail car may be nominated by the leader. Convoys inconvenience other drivers, so please allow plenty of room for overtaking traffic.

### Start and finish

Day walks usually leave the cars by 10.00am. The time of return to the cars cannot be guaranteed, but it will usually be by 4.00pm in winter and 6.00pm in summer. Some walks may start earlier and end later, and this will be indicated in the walk description. It is our custom to bring a thermos and enjoy a friendly chat after walks before driving home.

## DAY WALKS ON WEDNESDAY

### Short/Easy Wednesday walks

These half-day walks of 10km or less will be held throughout the year. The club would value your suggestions. If you are interested, come and try some of the walks.

### **Easy/Medium Wednesday walks**

These walks are conducted every Wednesday in cooperation with the Canberra Bushwalking Club (CBC) and the National Parks Association (NPA). They are graded at the upper level of 'Easy' or the lower level of 'Medium'. They will usually take most of the day but will be easier than the Medium/Hard Wednesday walk to be conducted on that day.

### **Medium/Hard Wednesday walks**

These walks are conducted every Wednesday in cooperation with CBC and the NPA. These walks will be graded Medium (grade 8) to the lower end of Hard (grade 12) and sometimes difficult or exploratory.

### **Notification of Wednesday Walks**

Descriptions of Wednesday walks are emailed separately to interested members a few days before the walk. Members wishing to regularly receive details of these walks need to send a request showing their name and email address to [ewwcontact@brindabellabushwalking.org.au](mailto:ewwcontact@brindabellabushwalking.org.au) for the Short walks, and/or [mediumww@brindabellabushwalking.org.au](mailto:mediumww@brindabellabushwalking.org.au) for the Easy/Medium and Medium/Hard walks.

### **LATE RETURN FROM A WALK**

Let your family know where you are going and the contact details of the club's Emergency Officers – see front cover for contact details.

There can be many simple reasons for a walk finishing later than expected and, if the group is beyond mobile phone coverage, they cannot tell anybody the reason. If it is many hours later than expected, family members can contact one of the club's Emergency Officers who can begin activating emergency procedures. The ACT and/or NSW Emergency Services will not initiate any search or rescue activities until the next morning unless a Personal Locator Beacon (PLB) has been activated. Upon return, leaders of overdue parties must contact the Emergency Officers as soon as possible.

### **INSURANCE**

All members of Brindabella Bushwalking Club are covered for public and product liability insurance through our affiliation with Bushwalking NSW. This insurance cover is negotiated for all bushwalking clubs throughout Australia by Bushwalking Australia. All members sign an acknowledgement of risk each time they attend a club activity. Members are NOT covered for personal accident insurance, which remains the responsibility of individual members. Members may feel it necessary to insure themselves against any personal accident or injury that might occur while undertaking club activities.

**Members and visitors participating in club activities are strongly advised that they should have some form of ambulance insurance in case of an accident requiring evacuation by emergency services. If you purchase separate ambulance cover, ensure it covers activities in NSW as well as the ACT.**

### **DEVELOP YOUR BUSHWALKING SKILLS**

The club wishes to encourage members to improve their skills in navigation, first aid and more advanced bushwalking. The club sponsors an accredited first aid course every year. Further information is available on the club's website: [www.brindabellabushwalking.org.au](http://www.brindabellabushwalking.org.au)

### **WALKS LEADERS**

The club welcomes new leaders and new ideas for walks. If you are interested in leading or in finding out more, please feel free to talk to walk leaders, the Walks Officer, or other Committee members. Detailed *Guidelines for Leaders* are available on the club's website at: <https://www.brindabellabushwalking.org.au/wp-content/uploads/2023/10/BBC-Guidelines-for-Leaders-October-2023.pdf>

The club has two Personal Locator Beacons (PLB) and an extensive collection of local maps, available for loan.

## **SAFETY ON WALKS**

The club encourages safe bushwalking practices by asking that all individuals on any walk be aware of the need to look out for the welfare of others in the party, especially the less experienced members of the party. The leader will follow the leader guidelines set down by the club, but there is a mutual obligation on other walkers to raise any concerns they may have about the route, weather, tired walkers, etc. with the leader and fellow walkers. Don't suffer in silence.

Walking in wilderness or remote areas also has its hazards if an emergency occurs. Walk leaders going into wilderness or remote areas may ask the club for the use of a personal locator beacon (PLB). For details contact the Walks Officer or see front cover for contact details. Such an emergency beacon, however, should only be used in life-threatening situations since their activation triggers a national and international rescue procedure and actions by the police and rescue services. Walkers should consider all other options for the safe return of the party before considering the activation of a PLB.

## **ENJOYING BUSHWALKING**

Bushwalking is an active recreation. The aim of the club is to facilitate enjoyment of the bush, safely and in good company. Each walker must be aware of the hazards and be prepared for them. If in the leader's opinion a walk is not suitable for someone, the leader has a right not to accept that person on the walk. The club expects all members and visitors to follow the advice given below:

- If you have doubts about your ability to undertake bushwalking, please consult your doctor beforehand.
- For your enjoyment and safety, and that of others, it is important that you read the walk descriptions carefully and understand them. If you have any doubts, phone the leader beforehand. Leaders' contact details are always given in the program.
- You should select an easy walk for your first walk, unless you are very experienced and the leader approves. Walkers with fitness problems and new members should stay with walks graded 'Very Easy' or 'Easy' until confident of their ability to undertake harder walks.
- If walking with children, make sure you choose a walk that they can manage comfortably. Most walks that are under 10km and over easy terrain are suitable for children of, say, seven years and older.
- Most day walks take the party several hours away from car or phone, and pack walks often much further away.
- All walkers must take their own first aid kits – see the Rules for Walkers for details. The club cannot guarantee that there will be someone in each party with first aid qualifications.
- Bring sunscreen and insect repellent as appropriate. Flies are likely to be a nuisance in summer.
- Unless the leader has indicated otherwise, always assume you will need to bring lunch with you.
- Visitors are welcome on all walks, but they must discuss the walk and their own experience with the leader before going to the meeting point. If you have doubts about your ability to keep up with the group on a particular walk, do not attempt the walk.

## **RULES FOR WALKERS**

- You (including visitors) must register on the Walk Report form, which includes a risk acknowledgement.
- Advise the leader of any physical or other limitation, or any dependence on medication, that may require urgent attention during the activity (e.g. insect allergy medication)
- There is a limit of 3 walks as a visitor - after this, visitors must apply for membership.
- Discuss your suitability with the leader beforehand if you plan on participating in a walk of a higher grade than you have done before.
- No person under the age of 18 can participate in a BBC walk unless accompanied by a parent, guardian or other adult who is authorised by the parent or guardian. This 'responsible person' must sign the Walk Report form.
- Dogs and firearms are not allowed.
- Bring lunch and plenty to drink with a minimum of 1 litre per adult and 1.5 litres per child in normal weather and 2-3 litres for hot weather. You may wish to have hot water for morning tea and lunch.
- Dress appropriately and always bring a hat, waterproof jacket or coat, and warm clothing, e.g., polar-fleece, thermals, gloves and warm headgear, for unexpected cold weather.
- Strong footwear with thick treaded soles is recommended. Walking boots with thick socks are best; joggers may be adequate for easy and medium terrain; if in doubt, contact the walk leader.
- Walkers must carry a first aid kit containing, as the minimum, a wide compression bandage (for snake bites, sprains and breaks), some wide micropore surgical tape (all-purpose), bandaids and pain killers. Some first aid needs arise more often than others: sunburn, thorn pricks, insect bites, abrasions and bruising from falls, blisters, heat exhaustion, and sprains and strains from slipping on rock or wet wood. Snake bite is always a possibility and tick bites can occur in NSW coastal areas.
- Carry everything in a backpack so that both hands are free.
- Keep together. Use the same route as the leader and do not get ahead of or behind the party. Keep the walker in front **and** behind in sight - call the leader to stop if necessary. If the party is large, a tail person is usually appointed to monitor slower walkers. The most common causes of separation are getting ahead of the leader, stopping to take photos or making a toilet stop without telling anyone. Do not assume you can drop behind and then easily catch up.
- If you do become separated, stop and call out. Do not keep walking. Wait in a visible place even if you have to wait some time. The leader will return for you. Call out at intervals.
- Be aware of fellow walkers – if a problem is apparent, advise the leader.
- Let the leader know if you are having any difficulties.
- If you want to leave the walk for any reason, you must consult the leader first – and abide by the leader's ruling. Do not assume you will get approval.
- The club endorses minimum impact bushwalking. Avoid damaging the bush environment, leave absolutely no litter, and do not burn plastics or aluminium in fires.
- Call for a stop at the first sign of a blister or other injury. The party will gladly stop for a rest while any necessary first aid is given. If you use someone else's supplies, replace them.
- If the leader is making a head count, assist by standing still.
- Avoid using mobile phones. If you must, then move well away from others.

## THE GRADING SYSTEM

Walks are graded by experienced walkers, but a grading will always be somewhat subjective. The difficulty of a walk can be greatly affected by changes in the weather, vegetation and track conditions. Note that the harder walks are carried out faster, with shorter and fewer stops.

Walk descriptions include the approximate distance, total climb and notes on the terrain, and are the best guide to the degree of difficulty. These factors are scored in the grading system, and the total score is used to grade each walk – see the tables below. Regular walkers will learn to match their capabilities to them.

FACTORS					
Dist. (km)	Score	Total Climb (m)	Score	Terrain	Score
		900	<b>6</b>		
21	<b>5</b>	700-899	<b>5</b>	Mostly rough going	<b>5</b>
16-20	<b>4</b>	500-699	<b>4</b>	Moderately rough going	<b>4</b>
11-15	<b>3</b>	300-499	<b>3</b>	Some rough going	<b>3</b>
6-10	<b>2</b>	100-299	<b>2</b>	Mostly road, track or footpad, no rough going	<b>2</b>
0-5	<b>1</b>	0-99	<b>1</b>	All road, track or footpad, no rough going	<b>1</b>

**Note.** Rough going includes medium or heavy scrub; rocky, loose or slippery ground; rock scrambling; and stony creek crossings.

GRADING		
Total Score	Grade	Comment
<b>15-</b>	Very Hard	Strenuous walking. Fit and experienced walkers only.
<b>12-14</b>	Hard	Demanding walking. Fit and experienced walkers only.
<b>8-11</b>	Medium	Moderate fitness and bushwalking experience is required. People who have not been on a full day's bushwalk before will find these quite difficult.
<b>4-7</b>	Easy	At the lower end (Grade 4), these are suitable for people with little or no bushwalking experience. The degree of difficulty increases with the grading score.
<b>3</b>	Very Easy	Distances up to 5km; urban or nature park rambles; suitable for family groups, including young children needing to be carried.

**Note.** Total scores are included with the grading in the walk descriptions, e.g. Medium (9)

### WALKING TRIPS AWAY

#### **Tue 14 Jan to Sun 19 Jan – WALKING IN KOSCIUSZKO NATIONAL PARK FROM CHARLOTTE PASS – Easy and Medium walks**

**Leader: Wayne Holgate (0420 359 223, [wmholgate@gmail.com](mailto:wmholgate@gmail.com)).** Four days of walking in Kosciuszko NP, staying at the Snowbird Lodge in Charlotte Pass. Enjoy the wonderful summer wildflowers in the alpine area. Walks include Mount Kosciuszko; Blue Lake, Mount Twynam returning to Charlotte Pass via Illawong Lodge; Mount Stilwell and the site of the old Mount Stilwell Chairlift and restaurant; and Porcupine Rocks. This trip is currently fully booked. **Contact the leader ASAP to join a wait list.**

#### **Sat 5 to Sun 13 Apr – NATIONAL PARKS NEAR LITHGOW – 7 days Medium /Hard walks** **Leader: Bill Gibson (0419 240 468).**

This trip will spend 8 nights / 7 days based in Lithgow NSW, exploring walks across the Gardens of Stone and Wollemi National Parks. We plan to stay at the Lithgow Tourist Park which has both powered and unpowered campsites as well as basic cabin accommodation. We will be using this location as a base, with most of the walks requiring a drive of up to an hour or so to get to the trailhead. Several of the walks require 4WD access and so AWD/4WD vehicles will be required. Walking will typically be at the high end of medium (9 – 11) on the BBC walk rating scale and so is suited to regular medium/hard walkers. Elevation of up to 650m; length typically 10km – 15km; some creek crossings (some will require wading); a bit of boulder hopping around the rock pagodas; some off-track / bush bashing along creek beds / gullies / gorges, and a tunnel walk with torches to see the glow worms. However, we will program some easier walks through the week to allow walkers, should they choose, to have a break and/or see some of the visitor attractions in the area. Due to the nature and profile of the walks there will be a limit of 16 walkers for this trip. **If you are interested, please contact Deborah Gibson at [dgibson56@bigpond.com](mailto:dgibson56@bigpond.com) not later than 15 January 2025.**

#### **Tue 27 May to Tue 10 Jun – FLINDERS RANGES – Walks rated from 6 to 11.**

**Leader: Janet Duncan ([janet.nd58@gmail.com](mailto:janet.nd58@gmail.com)).** Two weeks of walking in South Australia staying in 2 different locations: Melrose and Rawnsley Caravan Parks. Walks from Melrose will include Dutchmans Stern, Alligator Gorge, Hidden Gorge and Mount Remarkable. From Rawnsley we visit Rawnsley Bluff, St Mary Peak, Blinman, Angorichina, Parachilna, Brachina Gorge, Bunyeroo Valley and the Australian Arid Lands Botanic Garden at Port Augusta. This trip is currently fully booked. **Contact the leader ASAP to join a wait list.**

#### **29/30 Sep to 16/17 Oct – WALKING IN ANDALUCIA, SPAIN – Easy and Medium walks. A joint walk with CBC, limit of 6 BBC walkers.**

**Leader: Terrylea Reynolds (0408 715 218, [terryleainwashington@hotmail.com](mailto:terryleainwashington@hotmail.com)).** Join the leader and fellow walkers from CBC in the Alpujarras area in Spain. This lodge-based trip consists of day walks and sightseeing in and around the Parque Nacional de Sierra Nevada area in Spain. We will start in Granada with accommodation in Albaicin for two days walking/sightseeing including the Alhambra. From there we bus to Pitres for four days walking in the Pitres (Las Alpujarras) area. Then to Arenas de San Pedro (bus, train & high-speed train) for 4 more days of walks before we head back via bus to Madrid from where we all disperse. Walks will generally finish each day in the mid-afternoon. There are currently vacancies on this trip. **Contact the leader ASAP if you may be interested.**

### March, April and May – Three-day PACK WALKS – Easy walks

**Leader: Lou Alaimo (0428 328 686, mlalaimo@gmail.com).**

The leader is planning two separate three-day pack walks to huts with a toilet and tank water, with one or two easy/medium day walk(s) on the middle day. Huts being considered include Frank and Jacks (an indirect route from Yankee Hat car park), Brandy Flat (from Glendale) or Westermans (a short or indirect route.) The walks will be in March/April and April/May and will be easy and slow enough for beginner pack walkers. Further information will be sent to all members by email.

**In the meantime, contact the leader if you may be interested.**

### April and May– CANBERRA CENTENARY TRAIL – Medium walks

**Leader: Leigh Hermann (0417 147 260, hermannsuk@hotmail.com).** This is a repeat of the Centenary Trail in 2023, but instead, doing the route in reverse. We will walk the full 147km of the Centenary Trail from start to finish, walking twice a week for four weeks to complete the full route. Preference will be given to those who register for the full walk, but walkers can register for individual days if they wish. Transport will usually be car shuffles, but the first and last day will use public transport. Daily distances range from 15 to 22km with some sections having significant climbs. The planned route is based on Woodslane's '*Walking and Cycling Canberra's Centenary Trail*', published 2015 and reissued in 2023. **There will be a limit of 16 walkers. Contact the leader by 1 April if you are interested.**

**Sun 11 May – SMOKERS TRAIL – 18 km Medium (9)**

**Leader: Leigh Hermann (0417 147 260, hermannsuk@hotmail.com).** The Smokers Trail connects Corin Dam Road to Orroral Valley, starting from the Square Rock car park and ending at the Orroral Valley Tracking Station. It is mostly fire trail, about 18km, some up but mostly downhill with some boggy areas. The walking won't be too hard but the transport arrangements will depend on the number of walkers and whether non-walkers can assist with transport. Without additional help, we will meet at Tharwa to position sufficient cars at the tracking station, and then pick up the rest of the group at Tharwa and drive to the start at Square Rock car park. At the end of the walk we retrieve the cars from the start, so it's a long day for the drivers. If you have a friend who can help with transport that would shorten the day. Climb: around 200m. Maps: Corin Dam, Rendezvous Creek. Cars: 110km (\$15). **So that transport arrangements can be organised, you must register with the leader by Sunday 4 May. \*\*\***

The first part is very pleasant, gently undulating and shaded by trees. Part way along we start to climb, getting steeper as we approach the junction with the Australian Alps Walking Track (AAWT). The 3.5km walk up to Cotter Gap via the AAWT has several quite steep sections but once at the shoulder we are rewarded with glimpses of Split Rock. We go on a further 0.5km where we lunch with great views of Split Rock. We return via the same route except we'll walk the last 2-3km along the grass in Orroral Valley. Climb: 600m. Cars: 90km (\$13). Maps: Corin Dam, Rendezvous Creek. **Meet at K.**

Climb: 250m. Cars: 130km (\$18). Map: Yaouk. **Meet at K at 8.30am for an 8.45 am departure. \*\*\***

From here we bush bash the 300m up the south side of Mt Eliza for morning tea. Dropping off the north side we track round to a large rocky formation mostly hidden from view in the valley. This is well worth exploring. We then return to the saddle and head up to Gibraltar Peak and, optionally, on to Mushroom Rock, lunching at a suitable time. We return to the cars via the stand of Xanthorrhoeas. Climb: 500m. Cars: 60km (\$8). Map: Tidbinbilla. **Meet at K.**
